BUILDING CAPACITY TO RESPOND TO CO-OCCURRING MENTAL HEALTH CONDITIONS IN ALCOHOL AND OTHER DRUG TREATMENT SETTINGS

Skills-based training workshop

Build your knowledge, confidence and skills in responding effectively to people with **co-occurring mental health conditions in alcohol and other drug (AOD) treatment settings**.

Your understanding of co-occurring AOD and mental health conditions will be enhanced in this **free** comprehensive series of half day workshops, delivered over three and a half days.

When: 18–21 Feb 2025 (Moree)
25–28 Feb 2025 (Sydney)

Duration: 3.5 days

Locations: Moree (18–21 Feb 2025): Moree Services Club NSW

Sydney (25–28 Feb 2025): The Michael Spence Building (F23), University of Sydney, Camperdown, NSW

Cost: Free

DO YOU WORK WITH PEOPLE USING ALCOHOL AND OTHER DRUGS IN NSW?

Designed for **professionals supporting people using alcohol and other drugs**, this training covers what you need to know about mental health presentations in your clients.

The workshop will cover:

- A range of co-occurring mental-health conditions;
- Screening and assessment;
- Motivational enhancement, cognitive, and behavioural approaches.

Eligibility:

This skills-based training is available to all professional supporting people using alcohol and other drugs in:

- NSW Government
- NGO services in NSW
- Aboriginal Community Controlled Health Services in NSW.
